

## Modern Domestic Make a Quilted PRIDE Flag

**Did you know?** Early in the Gay Rights movement, organizers used the Pink Triangle, a symbol used by the Nazi's to designate homosexuals in the prison camps. In 1978, Gilbert Baker designed a more uplifting symbol by assigning values to each of the colors of the rainbow. In 2018, Daniel Quasar redesigned the flag to include Civil Rights (Black and Brown) and Trans Rights (Light Blue, Pink, and white). Make this quilted version for yourself or to support the LGBTQ+ people in your community.
